

LPN Advanced Placement - Hybrid Bachelor of Science in Nursing

William Carey University

The Program

The LPN Advanced Placement program is designed to allow completion of a BSN degree while balancing work, life, and educational goals. Upon graduating from the program *and* successfully passing the NCLEX-RN, you will be qualified to begin working as a Registered Nurse.

- Part-time (10 terms) or full-time (6 terms) plans of study
- Fall or Spring admission
- Earn up to 18 credit hours through advanced placement testing
- All theory coursework online
- Alternate geographical in-person clinical sites possible (based on student enrollment)
- Alternate clinical schedules possible (based on clinical availability)
- Scheduled virtual testing day
- **NO entrance exam**

Admission Criteria

- GPA ≥ 2.75 on courses that count toward the BSN degree (including repeated courses)
- An unencumbered PN license (any state)
- No more than one science failure (pertains to BIO 234, BIO 235, BIO 260, CHE 101, AND HEA 240)
- Applicants with more than one science failure may take the ATI TEAS pre-admission exam to demonstrate science proficiency (see Pre-licensure BSN admission requirements)
- Must complete all prerequisite courses and ten or more hours of university core requirements prior to entering the nursing program

BSN DEGREE PREREQUISITES (49 hours)

All of the following courses must be taken and passed with a "C" or higher BEFORE beginning the nursing program.

ENG 101 – Composition: 3 hours
ENG 102 – Research and Composition: 3 hours
MAT 131 (or higher) – College Algebra: 3 hours
COM 101 – Public Speaking: 3 hours
(OR COM 202 – Interpersonal Communication)
