¹In cases where there are less than ten completers, test data are not reported. Some EPPs do not require passage of the Praxis Subject Assessment prior to graduation.

²Title II includes any student that has been admitted into the Institution EPP but may not have completed the program within the Title II reporting time frame.

³Due to COVID 19, the Mississippi Department of Education Division of Educator Licensure suspended the licensure testing requirements for all individuals completing an education preparation program. This exemption started in spring 2020 and ended December 31, 2021. Therefore some candidates may not have taken the exam.
