* Class meets: April 30 and July 29, 2022

**This course contains a clinical component that may require completion of clinical hours at a clinical agency under the supervision of a preceptor. Students who request to complete clinical hours at a facility that charges for students to participate will assume the full cost of participation in clinical hours at the chosen site. Payment of this fee does not eliminate the requirement of faculty approval of the preceptor and/or chosen facility.
