VA STUDENT VERIFICATION OF ENROLLMENT

At the beginning of **each** enrollment period (fall, winter, spring, summer), any student receiving veterans' benefits **must** complete this form, obtain his/her **advisor's signature**, and return it to the Registrar's Office for filing.

Remember: VA will pay only for courses that apply toward your degree. Therefore, you must inform the VA certifying official in the Registrar's Office when you change your major, and a new verification form must be completed and signed by your new advisor. **Failure to return this form signed by the advisor will result in termination of certification by the certifying official.**
