INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees William Carey University Hattiesburg, Mississippi

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of William Carey University, which comprise the statements of financial position as of June 30, 2022 and 2023, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of William Carey University as of June 30, 2022 and 2023, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of William Carey University and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

To the Board of Trustees William Carey University Hattiesburg, Mississippi

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about William Carey University's ability to continue as a going concern for one year after the date that the financial statements are issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and Government Auditing Standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to
 fraud or error, and design and perform audit procedures responsive to those risks. Such procedures
 include examining, on a test basis, evidence regarding the amounts and disclosures in the financial
 statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of William Carey University's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about William Carey University's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

To the Board of Trustees William Carey University Hattiesburg, Mississippi

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. Schedule 1, as required by the Department of Education Title IV *Financial Responsibility Standards*, and Schedule 2, as required by the audit requirements of Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, Schedules 1 and 2 are fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated September 13, 2023 on our consideration of William Carey University's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of William Carey University's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering William Carey University's internal control over financial reporting and compliance.

NOTES TO FINANCIAL STATEMENTS

NOTES TO FINANCIAL STATEMENTS YEARS ENDED JUNE 30, 2022 AND 2023

NOTE 1 - PRINCIPAL ACTIVITY AND SIGNIFICANT ACCOUNTING POLICIES

Principal Activity

Organization - William Carey University (the University) is a private, coeducational institution of higher learning which was founded in 1892. The University operates campuses in Hattiesburg, Mississippi, Biloxi, Mississippi and Baton Rouge, Louisiana. The majority of the University's revenues come from student tuition and fees. The University was incorporated as a not-for-profit corporation and is a tax-exempt organization under section 501(c)(3) of the Internal Revenue Code.

Significant Accounting Policies

Basis of Presentation - The University prepares its financial statements using the accrual basis of accounting and accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates - The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of revenues and expenses during the reporting period and the reported amounts of assets and liabilities at the date of the financial statements. On an ongoing basis, the University's management evaluates the estimates and assumptions based upon historical experience and various other factors and circumstances. The University's management believes that the estimates and assumptions are reasonable in the circumstances; however, the actual results could differ from those estimates.

Net Assets - Net assets, revenues, gains, and losses are classified based on the existence or absence of donor or grantor imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions - Net assets without donor restrictions are resources available to support operations. The only limits on the use of these net assets are the broad limits resulting from the nature of the organization, the environment in which it operates, the purposes specified in its organizational documents and its application for tax-exempt status, and any limits resulting from contractual agreements with creditors and others that are entered into in the course of its operations.

Net Assets With Donor Restrictions - Net assets are subject to donor imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Gifts of long-lived assets and gifts of cash restricted for the acquisition of long-lived assets are recognized as revenue when the assets are placed in service. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

NOTES TO FINANCIAL STATEMENTS PAGE TWO YEARS ENDED JUNE 30, 2022 AND 2023

NOTE 1 - PRINCIPAL ACTIVITY AND SIGNIFICANT ACCOUNTING POLICIES (Cont.)

Classification of Transactions - All revenues and net gains are reported as increases in net assets without donor restrictions in the statement of activities unless the donor specified the use of the related resources for a particular purpose or in a future period. All expenses and net losses other than losses on endowment investments are reported as decreases in net assets without donor restrictions. Net gains on endowment investments increase net assets with donor restrictions, and net losses on endowment investments reduce that net asset class.

Cash and Cash Equivalents - The University considers available bank balances, money market accounts, and other highly liquid investments with original maturities of three months or less as cash or cash equivalents. Cash is classified as either with or without donor restrictions. Cash with donor restrictions includes financial aid monies that the University has received but not disbursed and monies restricted for educational programs.

Receivables - The University provides credit without collateral to students for charges such as tuition, books, fees, room and board. These receivables are stated at unpaid balances less allowances for doubtful accounts. The University provides for losses using the allowance method. The allowance is based on experience and other circumstances which may affect the ability of students to meet their obligations. Receivables are considered delinquent if full principal payments are not received in accordance with the contractual terms. It is the University's policy to charge off uncollectible receivables when management determines the receivable will not be collected. Interest income is not accrued on outstanding accounts receivable.

Short Term Investments - The University invests cash in excess of its immediate needs in money market funds and U.S. Government and Government Agency issues. Short term investments are reported at fair value. The investment policy specific to these investments is monitored by the Committee on Budget, Finance, Investments, and Audit of the University's Board of Trustees.

Promises to Give - The University records unconditional promises to give that are expected to be collected within one year at net realizable value. Unconditional promises to give expected to be collected in future years are initially recorded at fair value using present value techniques incorporating risk-adjusted discount rates designed to reflect the assumptions market participants would use in pricing the asset. In subsequent years, amortization of the discounts is included in contribution revenue in the statements of activities. The University determines the allowance for uncollectable promises to give based on historical experience, an assessment of economic conditions, and a review of subsequent collections. Promises to give are written off when deemed uncollectable.

NOTES TO FINANCIAL STATEMENTS PAGE THREE YEARS ENDED JUNE 30, 2022 AND 2023

NOTE 1 - PRINCIPAL ACTIVITY AND SIGNIFICANT ACCOUNTING POLICIES (Cont.)

Property, Plant and Equipment - Property and equipment are carried at cost or, if donated, at the estimated fair market value at the date of donation. The University uses cost and asset durability as determining factors for capitalization. Depreciation is expensed over the estimated useful life of depreciable assets, which is 15 years for land improvements, 20 to 60 years for buildings and improvements, 5 to 7 years for equipment and furniture and 20 years for library collections, and is computed using the straight line method. When assets are sold or otherwise disposed of, the cost and related depreciation or amortization are removed from the accounts, and any resulting gain or loss is included in the statement of activities. Maintenance and repairs are charged to operations and significant purchases and improvements are capitalized. Property, plant and equipment are reviewed for impairment when a significant change in the asset's use or another indicator of possible impairment is present. No impairment losses were recognized in the financial statements in the current period.

Consistent with the accepted practice of not depreciating land, the FASB has declared that individual works of art or historical treasures whose economic benefit or service potential is not estimable should not be depreciated. The amounts included in other assets for these non-depreciable items were \$1,494,233 and \$1,542,187 as of June 30, 2022 and 2023, respectively.

Though William Carey University holds collections of various types, it is not the University's practice to deaccession any of the collection items, and it is not anticipated that any will be sold in the foreseeable future.

Endowment and Long-term Investments - The University records purchases at cost, or if donated, at fair value on the date of donation. Thereafter, investments are reported at their fair values in the statement of financial position. Net investment return or loss is reported in the statement of activities and consists of interest and dividend income, realized and unrealized capital gains and losses, less external and direct internal investment expenses. Purchases and sales of investments are reported on the trade date. The investment and spending policies for the Endowment Fund are discussed in Note 5.

Endowment investments consist of investments purchased with the following resources:

- Donor-restricted perpetual endowments, which are contributions restricted by donors to investment in perpetuity with only investment income and appreciation being used to support the University's activities.
- Board designated endowments are purchased with funds set aside by the University's Board of Trustees to support University activities.

Endowment investments also include investments purchased with unspent investment income and net gains on these resources.

NOTES TO FINANCIAL STATEMENTS PAGE FOUR YEARS ENDED JUNE 30, 2022 AND 2023

NOTE 1 - PRINCIPAL ACTIVITY AND SIGNIFICANT ACCOUNTING POLICIES (Cont.)

Tuition and Fee Revenue - The University recognizes revenue from student tuition and fees within the fiscal year in which educational services are provided. Payment is due in full by the Thursday before the term starts. Institutional aid, in the form of scholarships and grants-in-aid, reduces the price of tuition for students receiving such aid. As such, institutional aid is referred to as a tuition discount and represents the difference between the stated charges for tuition and fees and the amount that is billed to the student and/or third parties making payment on behalf of the student. Financial aid was provided to students in the amount of \$12,113,849 and \$14,901,214 for the years ended June 30, 2022 and 2023, respectively.

The University's summer term consists of ten instructional weeks offered during portions of June, July and August each year. Payments of tuition and housing for all of the summer terms are recognized as performance obligations are met. Because the academic term spans two reporting periods, a portion of the payments for the term is included in deferred revenue at June 30. Under Accounting Standards Codification (ASC) 606, contract liabilities are measured at the amount of consideration received from the student prior to services being delivered and are classified as deferred revenues (see Note 7).

Auxiliary Services Revenue - Auxiliary services exist to furnish goods or services to students, faculty, staff, or incidentally to the general public, and charges a fee directly related to, although not necessarily equal to, the cost of the goods or services. The distinguishing characteristic of auxiliary services is that they are managed as an essentially self-supporting activity.

Auxiliary services revenue includes revenues from contracts with customers to provide student housing and dining facilities, ticket sales for athletic and community events, a coffee house, a diner, and other miscellaneous activities. Payments for these services are due during the week prior to the start of the academic term. Performance obligations for housing and dining services are delivered over the academic terms. Consequently, revenue from housing and dining services is recognized ratably as services are rendered. Ticket sales, coffee house, and diner revenue are recognized at the time of sale.

Accounting for Contributions - Contributions, including unconditional promises to give, are recognized when received. All contributions are reported as increases in net assets without donor restrictions unless use of the contributed assets is specifically restricted by the donor. Amounts received that are restricted by the donor to use in future periods or for specific purposes are reported as increases in net assets with donor restrictions. Unconditional promises with payments due in future years have an implied restriction to be used in the year the payment is due, and therefore are reported as restricted until the payment is due, unless the contribution is clearly intended to support activities of the current fiscal year. Conditional promises, such as matching grants, are not recognized until they become unconditional, that is, until all conditions on which they depend are substantially met.

NOTES TO FINANCIAL STATEMENTS PAGE FIVE YEARS ENDED JUNE 30, 2022 AND 2023

NOTE 1 - PRINCIPAL ACTIVITY AND SIGNIFICANT ACCOUNTING POLICIES (Cont.)

The University is a beneficiary under several donors' wills. Contributions from bequests are recognized as contributions receivable when the probate court declares that the will is valid, the University has an irrevocable right to the bequest, and the bequest amount may be calculated.

Gifts-in-Kind Contributions - The University receives contributions other than cash or investments. Donated use of facilities is reported as contributions and as expenses at the estimated fair value of similar space for rent under similar conditions. If the use of the space is promised unconditionally for a period greater than one year, the contribution is reported as a contribution and an unconditional promise to give at the date of gift, and the expense is reported over the term of use.

The University benefits from personal services provided by a substantial number of volunteers. Those volunteers have donated significant amounts of time and services in the University's program operations. However, the majority of the contributed services do not meet the criteria for recognition in the financial statements. GAAP allows recognition of contributed services only if (a) the services create or enhance nonfinancial assets or (b) the services would have been purchased if not provided by contribution, require specialized skills and are provided by individuals possessing those skills. The University did not receive any volunteer services meeting requirements for recognition for the years ended June 30, 2022 and 2023.

Grant Revenue - Grant revenue is recognized when the qualifying costs are incurred for costreimbursement grants or contracts or when a unit of service is provided for performance grants.

Functional Allocation of Expenses - The costs of program and supporting services have been summarized on a functional basis in the statement of activities. The statements of functional expenses present the natural classification detail of expenses by function. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Advertising Costs - Costs for advertising, including radio, television and newspaper advertisements, expensed as incurred. Total advertising costs for the years ended June 30, 2022 and 2023, were \$255,145 and \$458,611, respectively.

Tax Status - The University is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and is classified as "other than a private foundation". However, income from certain activities not directly related to the University's tax-exempt purpose is subject to taxation as unrelated business income.

NOTES TO FINANCIAL STATEMENTS PAGE SIX YEARS ENDED JUNE 30, 2022 AND 2023

NOTE 1 - PRINCIPAL ACTIVITY AND SIGNIFICANT ACCOUNTING POLICIES (Cont.)

Deferred Financing Costs - Deferred financing costs are being amortized over the life of the debt instrument, using the straight-line method. Pursuant to ASU 2015-03, amortization costs are included in interest expense and debt is presented net of these costs. See Note 10 - Notes and Bonds Payable, for additional information.

Compensated Absences - Employees are entitled to paid vacations, sick days and personal days off depending on length of service and other factors. It is impractical to estimate the amount of compensation for future absences, and accordingly, no liability has been recorded in the accompanying financial statements. It is the University's policy to recognize the cost of compensated absences when actually paid.

Change in Accounting Estimate - On July 1, 2022, the University elected to change the useful life of buildings to 60 years, whereas in prior years a useful life of 40 years was used, and establish a residual value of 33.00% to better reflect the pattern of consumption of these assets.

The revisions were accounted for prospectively as a change in accounting estimate. This resulted in a reduction of depreciation expense taken over the remaining useful lives of the underlying assets, thereby increasing the University's change in net assets.

Subsequent Events - In preparing the financial statements, management has evaluated and disclosed all material subsequent events up to September 13, 2023, which is the date the financial statements were available to be issued.

NOTE 2 - LIQUIDITY AND AVAILABILITY

Financial assets without donor or other restrictions available for general expenditure within one year of June 30 are:

	June 30,				
	2022				2023
Cash and cash equivalents	\$	18,940,368	-	\$	20,507,196
Receivables, net		6,808,658	-		6,160,122
Total	\$	25,749,026	:	\$	26,667,318

NOTES TO FINANCIAL STATEMENTS PAGE SEVEN YEARS ENDED JUNE 30, 2022 AND 2023

NOTE 2 - LIQUIDITY AND AVAILABILITY (Cont.)

The University's endowment funds consist of donor-restricted endowments and funds designated by the board as endowments. Income from donor-restricted endowments is restricted for specific purposes. Donor-restricted endowment funds are not available for general expenditure.

The board-designated endowment, as described in Note 5, totaled \$4,790,228 and \$5,189,836 at June 30, 2022 and 2023, respectively. Although the University does not intend to spend from this board-designated endowment (other than amounts appropriated for general expenditure as part of our Board's annual budget approval and appropriation), these amounts could be made available if necessary.

The University also has a line of credit available to meet short-term needs. See Note 8 for information about this arrangement.

NOTE 3 - RECEIVABLES

Receivables consist of the following:

	June 30,			
	2022	2023		
Student accounts receivable Less: Allowance for doubtful accounts Student accounts receivable, net	\$ 6,844,655 (451,723) 6,392,932	\$ 6,147,571 (416,658) 5,730,913		
Loans to students Less: Allowance for doubtful accounts Loans to students, net	107,421 (71,150) 36,271	58,534 (54,188) 4,346		
Other receivables	1,542,455	1,181,576		
Total receivables	\$ 7,971,658	\$ 6,916,835		

For the years ended June 30, 2022 and 2023, other receivables included grants of \$1,000,000 and \$400,000, respectively.

NOTES TO FINANCIAL STATEMENTS PAGE EIGHT YEARS ENDED JUNE 30, 2022 AND 2023

NOTE 4 - FAIR VALUE MEASUREMENTS

The University reports certain assets at fair value in the financial statements. Fair value is the price that would be received to sell an asset in an orderly transaction in the primary, or most advantageous, market at the measurement date under current market conditions regardless of whether that price is directly observable or estimated using another valuation technique. Inputs used to determine fair value refer broadly to the assumptions that market participants would use in pricing the asset, including assumptions about risk. Inputs may be observable or unobservable. Observable inputs are inputs that reflect the assumptions market participants would use in pricing the asset on market data obtained from sources independent of the reporting entity. Unobservable inputs are inputs that reflect the reporting entity's own assumptions about the assumptions market participants would use in pricing the asset based on the best information available.

A three-tier hierarchy categorizes the inputs as follows:

- Level 1 Quoted prices (unadjusted) in active markets for identical assets that the University can access at the measurement date.
- Level 2 Inputs other than quoted prices included within Level 1 that are observable for the asset, either directly or indirectly. These include quoted prices for similar assets in active markets, quoted prices for identical or similar assets in markets that are not active, inputs other than quoted prices that are observable for the asset, and market-corroborated inputs.
- Level 3 Unobservable inputs for the asset. In these situations, the University develops inputs using the best information available in the circumstances.

In some cases, the inputs used to measure the fair value of an asset might be categorized within different levels of the fair value hierarchy. In those cases, the fair value measurement is categorized in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement. Assessing the significance of a particular input to entire measurement requires judgment, considering factors specific to the asset. The categorization of an asset within the hierarchy is based upon the pricing transparency of the asset and does not necessarily correspond to the University's assessment of the quality, risk, or liquidity profile of the asset.

A significant portion of the University's investment assets are classified within Level 1 because they comprise funds with readily determinable fair values based on daily redemption values. The University also invests in fixed income securities primarily consisting of corporate bonds which are valued by the custodians of the securities using pricing models based on credit quality, time to maturity, stated interest rate, and market-rate assumptions and are classified within Level 2.

NOTES TO FINANCIAL STATEMENTS PAGE NINE YEARS ENDED JUNE 30, 2022 AND 2023

NOTE 4 - FAIR VALUE MEASUREMENTS (Cont.)

The following sets forth by level, within the fair value hierarchy, the University's assets at fair value:

		Assets at Fair Value as of June 30, 202				
	Total	Level 1	Level 2	Level 3		
Equity securities Pooled cash and marketable securities Fixed income securities Cash portion of investments	\$ 1,719,472 22,745,657 1,846,788 2,087,591	\$ 1,719,472 22,745,657 - -	\$ 1,846,788 	\$ - - - -

Total assets at fair value	\$ 30,896,691	\$ 28,030,334	\$ 2,698,126	<u> </u>		

NOTE 5 - ACCOUNTING FOR ENDOWMENTS

Endowment - The University's endowment consists of approximately 324 donor-restricted individual funds established for a variety of purposes. As required by generally accepted accounting principles, net assets associated with endowment funds, including funds designated by the Board of Trustees to function as endowments, if any, are classified and reported based on the existence or absence of donor-imposed restrictions.

The University's Board of Trustees has interpreted the Mississippi Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the fair value of the original gift as of the date of the donor-restricted endowment funds, unless there are explicit donor stipulations to the contrary. At June 30, 2022 and 2023, there were no such donor stipulations. As a result of this interpretation, the University retains in perpetuity (a) the original value of initial and subsequent gift amounts

NOTES TO FINANCIAL STATEMENTS PAGE TEN YEARS ENDED JUNE 30, 2022 AND 2023

NOTE 5 - ACCOUNTING FOR ENDOWMENTS (Cont.)

(including promises to give net of discount and allowance for doubtful accounts) donated to the endowment and (b) any accumulations to the endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added. Donor-restricted amounts not retained in perpetuity are subject to appropriation for expenditure by the University in a manner consistent with the standard of prudence prescribed by UPMIFA. In accordance with UPMIFA, the University considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds: (1) the duration and preservation of the various funds, (2) the purposes of the University and the donor-restricted endowment funds, (3) general economic conditions, (4) the expected total return from income and the appreciation of investments, and (5) the University's investment policy.

The net asset composition of the University's donor-restricted endowments as of June 30, 2022 and 2023 are \$23,609,280 and \$25,706,855, respectively. The University's net asset composition of the board-designated endowment as of June 30, 2022 and 2023 is \$4,790,228 and \$5,189,836, respectively.

Total	\$ 31,717,396	\$ 30,896,691	\$-	\$ 820,705	\$-

* Unrealized gains and losses are shown net.

NOTES TO FINANCIAL STATEMENTS PAGE TWELVE YEARS ENDED JUNE 30, 2022 AND 2023

NOTE 5 - ACCOUNTING FOR ENDOWMENTS (Cont.)

From time to time, certain donor-restricted endowment funds may have fair values less than the amount required to be maintained by donors or by law (underwater endowments). The University has interpreted UPMIFA to permit spending from underwater endowments in accordance with prudent measures required under law. Deficiencies of this nature that are reported in net assets with donor restrictions for years ended June 30, 2022 and 2023 are shown in the following table:

	June 30,			
	2022	2023		
Orginial endowment gift	\$ 13,056,549	\$ 14,019,968		
Fair value	(11,998,312)	(13,049,352)		
Total deficiencies	\$ 1,058,237	\$ 970,616		

Endowment Investment Policy - The overall investment objective of the University's endowment is to preserve capital while achieving an appropriate rate of return with some capital appreciation that supports the overall mission of the University. The particular mix of investments among stocks, bonds, and other financial instruments is determined by the fund's managers to achieve the overall investment objective as determined by the Committee on Budget, Finance, Investments, and Audit of the Board of Trustees.

Endowment Spending Policy - The University seeks an annual endowment distribution rate of 3.00%-5.00% of market value subject to the constraints of long-term capital preservation. As conditions dictate, the University may receive distributions from underwater endowments in order to provide consistent support for scholarships and programs.

NOTE 8 - LINE OF CREDIT

The University has available one line of credit in the amount of \$3,000,079 for general operations which matures on March 29, 2026. The line of credit carries a variable rate of interest equal to 1.00% below the Wall Street Journal (WSJ) Prime Rate as reflected on the WSJ Market Page, on any outstanding principal balance adjusted daily. The line of credit is secured by real estate located in Hattiesburg and Gulfport, Mississippi and all of the University's present and after-acquired furniture, fixtures and equipment located at the Hattiesburg campus. All unpaid principal and interest are due at the date of maturity.

The available and outstanding balances under the University's line of credit were as follows:

	June 30,				
		2022	2023		
Available balance	\$	3,000,079	\$	3,000,079	
Outstanding balance	\$	<u> </u>	\$		

NOTE 9 - LEASES

The University has finance leases for equipment and vehicles used in operations. The University's leases have remaining lease terms from approximately 1 to 3 years, some of which include options to extend the leases. The exercise of lease renewal options is at management's sole discretion. Management has determined it is unlikely that the leases will be renewed.

The University recognizes a finance lease right-of-use asset and a finance lease obligation that represents the present value of the University's obligation to make payments over the lease terms. The present value of the lease payments is calculated using the incremental borrowing rate for finance leases, which was determined using a portfolio approach based on the rate of interest that the University would have to pay to borrow an amount equal to the lease payments on a collateralized basis over a similar term.

Net assets were released from donor restrictions by incurring expenses satisfying the restricted purpose or other events specified by the donors as follows:

	June 30,			
		2022		2023
Net assets released from donor restrictions				
Satisfaction of purpose restrictions:				
Educational programs	\$	1,832,839	\$	2,474,359
Financial aid		974,757		363,421
Total net assets released from donor restrictions	\$	2,807,596	\$	2,837,780

NOTE 14 - RETIREMENT PLAN

The University's employees participate in two 403(b) defined contribution retirement plans. Substantially all of the University's employees participate in one of these plans. The University contributes a percentage (3.00% to 15.00%) of participating employee's salaries depending on years of service. The University contributed \$1,498,976 and \$1,521,474, for the years ended June 30, 2022 and 2023, respectively, to these plans.

NOTE 15 - COMMITMENTS AND CONTINGENCIES

Grant revenue from federal agencies is subject to independent audit under the Office of Management and Budget's audit requirements for federal awards and review by grantor agencies. The review could result in the disallowance of expenditures under the terms of the grant or reductions of future grant funds. Based on prior experience, the University's management believes that costs ultimately disallowed, if any, would not materially affect the financial position of the University.

In fiscal year 1987, the University received a donation of land and timber located adjacent to the Hattiesburg campus, with a fair market value at the date of donation of \$445,000. The donation included a restriction that should the property ever cease to be used for University purposes, title to the property would revert to the donor. As a condition for donating the land, the donor is requiring that the University build a three-lane boulevard to the University and to additional property owned by the donor. Future plans for financing and construction of the boulevard have not been completed and require approval of the Board of Trustees.

NOTES TO FINANCIAL STATEMENTS PAGE TWENTY-THREE YEARS ENDED JUNE 30, 2022 AND 2023

NOTE 15 - COMMITMENTS AND CONTINGENCIES (Cont.)

The University works in cooperation with the Mississippi Baptist Convention (MBC) which provides funding through allocation to the University of gifts to the MBC. The amount of such gifts allocated is determined based on the number of student credit hours earned and other factors related to the University's service to the MBC. The University received gifts from the MBC of approximately \$2,834,190 and \$2,461,321 in fiscal years 2022 and 2023, respectively.

NOTE 16 - CONCENTRATIONS OF RISK

Financial instruments that potentially subject the University to concentrations of credit and market risk consist principally of bank deposit accounts and student accounts receivable. The University maintains its cash balances in financial institutions that are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. The University had \$24,651,995 and \$23,682,547 over the FDIC federally insured limits as of June 30, 2022 and 2023, respectively. Cash equivalents, other securities, and limited amounts of cash held in brokerage accounts are protected by the Securities Investor Protection Corporation (SIPC) in the event of broker-dealer failure, up to \$500,000 of protection for each brokerage account, with a limit of \$250,000 for claims of uninvested cash balances. Additional brokerage insurance, in addition to SIPC protection, is provided through private insurers. The SIPC insurance does not protect against market losses on investments.

Concentrations of credit risk with respect to student accounts receivable are limited due to the large number of students comprising the University's student base.

The University's investments are subject to various risks, such as interest rate, credit, and overall market volatility risks. Further, because of the significance of the investments to the University's financial position and the level of risk inherent in most investments, it is reasonably possible that changes in the values of these investments could occur in the near term and such changes could materially affect the amounts reported in the financial statements. Approximately 80.41% of the total fair value of investments is held with the MBF. Management is of the opinion that the diversification of its invested assets among the various asset classes should mitigate the impact of changes in any one class.

NOTE 17 - RELATED PARTIES

Payments for information technology services were made to a vendor owned by a member of the Board of Trustees. Payments for the years ended June 30, 2022 and 2023 were \$99,362 and \$99,604, respectively.

NOTES TO FINANCIAL STATEMENTS PAGE TWENTY-FOUR YEARS ENDED JUNE 30, 2022 AND 2023

NOTE 17 - RELATED PARTIES (Cont.)

Payments for vehicle and repairs were made to a vendor owned by a member of the Board of Trustees. Payments for the years ended June 30, 2022 and 2023 were \$53,708 and \$26,878, respectively.

Payments for information technology services were made to a vendor owned by an employee of the University. Payments for the years ended June 30, 2022 and 2023 were \$8,000 and \$21,066, respectively.

NOTE 18 - FINANCIAL RESPONSIBILITY

The Department of Education issued regulations on February 23, 2019, which became effective July 1, 2020, regarding additional disclosures deemed necessary to calculate certain ratios for determining sufficient financial responsibility under Federal Title IV regulations. The University has elected to report all leases as post-implementation leases.

Property, Plant and Equipment, Net	 Amount	
Ending balance for the year ended June 30, 2019 Less subsequent depreciation and disposals	\$ 181,195,822 (30,569,816)

Total Expenditures of Federal Awards			\$ 71,639,668

NOTES TO THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS YEAR ENDED JUNE 30, 2023

NOTE 1 - BASIS OF PRESENTATION

The accompanying schedule of expenditures of federal awards includes the federal grant activity of William Carey University (the University) and is presented on the accrual basis of accounting. The information in this schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Therefore, some amounts presented in this schedule may differ from amounts presented in, or used in the preparation of, the basic financial statements.

NOTE 2 - INDIRECT COST RATE

The University prepares an indirect cost rate proposal as needed subject to approval by the United States Department of Health and Human Services. For the year ended June 30, 2023, the approved final indirect cost rate for federally funded programs was 28.99% based upon the most recent Certificate of Indirect Cost dated November 26, 2019. The approved rate contained in the most recent Certificate of Indirect Cost is approved to be used through June 30, 2023.

NOTE 3 - LOANS OUTSTANDING

The University had the following loan balances outstanding at June 30, 2023. These loan balances outstanding are also included in the federal expenditures presented in the schedule.

Program Title	CFDA#	A	mount
Federal Perkins Loan Program	84.038	\$	58,437

During the year ended June 30, 2023, there were no disbursements for new loans and miscellaneous expenses totaled \$7,279 for the Federal Perkins Loan Program.

NOTE 4 - FEDERAL PELL GRANT PROGRAM

During the year ended June 30, 2023, expenditures for the Federal Pell Grant Program totaled \$4,757,347, of which \$4,757,347 was disbursed to students.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS **BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED** IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Trustees William Carey University Hattiesburg, Mississippi

We have audited in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States, the financial statements of William Carey University (a Mississippi nonprofit corporation), which comprise the statement of financial position as of June 30, 2023, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements and have issued our report thereon dated September 13, 2023.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered William Carey University's internal control over financial reporting (internal control) as a basis for designing procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of William Carey University's internal control. Accordingly, we do not express an opinion on the effectiveness of William Carey University's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

To the Board of Trustees William Carey University Hattiesburg, Mississippi

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit, we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether William Carey University's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR THE MAJOR FEDERAL PROGRAM AND REPORT ON INTERNAL CONTROL OVER COMPLIANCE IN ACCORDANCE WITH THE UNIFORM GUIDANCE

To the Board of Trustees William Carey University Hattiesburg, Mississippi

Report on Compliance for the Major Federal Program

Opinion on the Major Federal Program

We have audited William Carey University's compliance with the types of compliance requirements identified as subject to audit in the OMB Compliance Supplement that could have a direct and material effect on William Carey University's major federal program for the year ended June 30, 2023. William Carey University's major federal program is identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, William Carey University complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended June 30, 2023.

Basis for Opinion on the Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States (Government Auditing Standards); and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

HATTIESBURG WEST

Hattiesburg, MS 39402

To the Board of Trustees William Carey University Hattiesburg, Mississippi

We are required to be independent of William Carey University and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for the major federal program. Our audit does not provide a legal determination of William Carey University's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to William Carey University's federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on William Carey University's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material, if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about William Carey University's compliance with the requirements of the major federal program as a whole.

In performing an audit in accordance with GAAS, Government Auditing Standards, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding William Carey University's compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.

To the Board of Trustees William Carey University Hattiesburg, Mississippi

> Obtain an understanding of William Carey University's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of William Carey University's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiencies, in internal control over compliance is a deficiency, or a combination of deficiencies with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
